May 2 Program
Norm Vandermoon
PHS Tiger Central
 Rex Lasson introduced Norm Vandermoon to talk about sports

broadcasting and some of his experiences. Norm said he grew up with a love for sports and got his first radio job with WZOE. He credits a lot of great personalities he worked with over the years and then shared some specifics about Tiger Central. They provide instant replay, a creeper with other scores on the screen, and a great crew! Norm said they had over 9,000 views on YouTube during the state football playoffs. During the Q & A portion of his presentation, Laura Kann acknowledged that Norm is also the voice for PHS baseball, announcing their games and helping keep things exciting. Although this is not over the air, Norm said he has always loved baseball so he enjoys doing this. Norm couldn't really state any challenges. Technology has changed, but he said if you love what you do, everything is great. Check out Tiger Central Live on
