July 11, 2023 Program
Joe Park, 2023-2024 Club President

Joe shared his goals for our 2023-2024 Rotary year. He wants to increase membership and asks for Rotarians to help recruit and welcome new members. A mentor program is being considered, and a formal induction process will be used. We want Rotarians to share the vision, share the work, and be active in the Club. Joe will also be talking with members who have terminated or who don't attend regularly to find out why. Joe also talked about the importance of programs. Everyone like an entertaining and/or informative program. Joe's favorite last year was when Frankie and Margaret Cortes from Special Kneads Bakery spoke. They had their audience laughing and crying and completely engaged! Any program ideas should be forwarded to Eric. Finally, Joe wants to have active committees. Rotarians should be aware of their assignments. It's important for chairs to call meetings frequently enough to accomplish goals but not to the point they are burdensome to members. We look forward to a GREAT year with Joe at the helm!
