March 5 Program - Menno Haven Camp & Retreat Center

Tracy Wright introduced Doc Johnson, Executive Director, and Ashley Litwiller, Program Manager. Doc shared the history of Menno Haven from 1957 when a church camp committee began their search for a "getaway" for Mennonite churches to retreat and refresh. Over the years, the camp and retreat center has grown in size and experiences. Their mission is to experience God's world and Christ's kingdom through worship, fellowship, recreation, growth, and renewal. Ashley shared that they serve churches, families, schools, businesses, adults, and youth. They offer a variety of programs suited to everyone. Families can enjoy a family camp or a Christmas season getaway. GrandCamp is popular with the "grands" in the family, and "Dads and Lads" promotes the bonding of a father and son. Menno Haven offers women's retreats and a retreat for ministry leaders. Kids can join in summer camp or winter retreats. Menno Haven can provide meals, lodging, meeting rooms, and 231 acres of activities. They offer recreation equipment and trails for hiking or

skiing. There is a swimming pool, gym and game room, boats and fishing on the lake, and hayrack rides and campfire sites depending on the season. The "adventure education" program is designed to help develop personal growth, growth as a team, and spiritual growth and includes a low ropes course, high ropes course, and an indoor climbing wall. Volunteers are always needed for work days, guest hosts, and service hours, and Menno Haven will work with various schedules. There is also paid employment through the camp and retreat center including lifeguards, kitchen assistants, facilitators, and summer staff. Ashley wrapped up the presentation with various ways to get involved. For more information about any of the offerings at Menno Haven Camp & Retreat Center, their website is www.mennohaven.com.

What is a global grant scholarship? Through Rotary Foundation global grants, members can support future leaders whose career goals align with fields related to our areas of focus. These scholarships are awarded for at least \$30,000 and can fund graduate-level coursework or research for one to four academic years. A key feature of global grants is the partnership between the district or club where the person will study and the district or club in their home country. When they return home, scholarship recipients are expected to talk with Rotary members and others about how their experiences led to a greater understanding of their host country and how they'll continue to support our areas of focus and spread goodwill and understanding.
