**September 24 Program  
 Starved Rock Technologies**

Jeff Dzik introduced Becky Andersen, Business Development Consultant for Starved Rock Technologies. They specialize in understanding and addressing IT demands and challenges that businesses face. Becky introduced Mario Cote, IT Manager, and Tristen Underwood, IT Operations Specialist, who shared some of the services they provide. Mario talked about identify theft, ransomware, and data breaches, and Tristen shared information related to managed back-up, remote monitoring and management, and end point detection and response. All of these services are designed to keep users safe and information contained and confidential. They offered advice for protecting one's self or business, including using one secure password and a password management or "vault" feature. Two-factor authentication can also be very helpful. Starved Rock Technologies is available for free consultation and advice. They concluded their presentation with Q&A including the fact that
